BY MR. FRANK OF MASSACHUSETTS  
TO THE COMMITTEE PRINT ON  
FLOOD INSURANCE

(d) POST-DISASTER FLOOD ELEVATION DETERMINATIONS. - Section 1363 of the National Flood Insurance Act of 1968 (42 U.S.C. 4104) is amended by adding at the end the following new subsection:

"(h) EXPEDITED COMMUNITY ADOPTION OF POST-DISASTER ADVISORY FLOOD ELEVATIONS. -

When the Director determines that it is appropriate to examine flood elevation determinations after flood-related disasters, to incorporate data gathered since the publication of an effective Flood Insurance Rate Map or other flood hazard map, and to issue advisory flood elevations, the Director shall expedite the notification and publication procedures in this section. The Director shall require community adoption of the advisory flood elevation information under such expedited procedures, for the purposes of local land use and control measures and for the purposes of facilitating flood-resistant reconstruction when federal funds are made available. Expediting the notification and publication procedures shall be accomplished to preserve all rights to submit information and to appeal the Director's findings.
